

METROPLEX GYMNASTICS & SWIM

DAY CAMP SAFETY PROCEDURES FOR COVID 19

WE WILL BE FOLLOWING ALL STATE & LOCAL POLICIES.

- *Day camps will have 6 groups with a max of 72 kids. This will continue as long as the State of Texas 25% occupancy policy is in effect.*
- *Each morning upon arrival to camp, all campers will be checked for a fever before they are permitted in the building. Anyone showing symptoms of a contagious illness will not be permitted in the building.*
- *All water fountains will be off limits they will be turned off and covered.*
- *All camp groups will go back to their classroom to wash hands between every rotation.*
- *Campers will be given hand sanitizer several times throughout the day in addition to washing their hands. Every camp counselor will have hand sanitizer along with first aid supplies on them at all times in a fanny pack.*
- *We will have one entrance for all campers, students, pre-team and parents to enter and exit the building. We will have a separate entrance for all team athletes to enter and exit.*
- *All Metroplex staff will wear a face mask.*
- *Anyone showing symptoms of a contagious illness will not be permitted in the building.*
- *Several times throughout the day staff will wipe down and sanitize surfaces such as tables, chairs, doorknobs and etc.*
- *Sanitizer dispensers are located throughout the building for staff, students and parents to use as often as they wish.*
